

RSL ONLINE TRAINING

Fast-paced and constantly changing, the retail environment doesn't always make it easy to find time for critical retail leadership training.

That's where **Retail Store Leadership Online Training (RSL OLT)** microlearning comes in. Based on MOHR Retail's acclaimed Retail Store Leadership workshop—the training solution leading retailers have used to develop more than 20,000 retail management and store supervisor teams—RSL OLT microlearning is a cost-effective, efficient way to provide your store managers, assistants, and other key stakeholders key leadership concepts, skills and strategies—with minimal time off the floor.

RSL OLT microlearning introduces the interpersonal skills retail managers need to create connections, coach, and retain associates who consistently deliver exceptional performance and memorable customer experiences.

Your store leaders will learn how to:

- Flex between leadership roles to meet a wide range of associate and store needs
- Understand and adapt their personal communication style to be more effective in their role
- Apply a consistent set of core communication skills to every conversation
- Maximize productivity by applying a series of specific strategies to critical discussions

21 Core Microlearning Modules

Advanced Modules (available June 2025--Pre-requisite Core Modules)

Delegating to Develop: Leaders can grow their team by strategically assigning projects that stretch their skills, giving them added authority to make better decisions. Participants learn how to assess readiness and evaluate authority levels, selecting real-life situations to practice during the session. Includes a video model. (2 micro-video topics—strategy & application)

Getting Commitment to New Initiatives: Many initiatives that store leaders have to communicate come from the DM, corporate office and others outside the store. Participants learn to communicate a priority or expectation and ensure associates commit to fully supporting and achieving goals. They learn strategies for communicating one-on-one and in group meetings, applying Communication Skills to create a motivated, dedicated team. (2 micro-video topics—strategy & application)

Resolving Team Conflicts: Store Leaders often avoid conflict, but they need to be comfortable resolving disagreements between team members to get business back on track. This strategy helps store leaders become skillful at uncovering issues, listening to both sides, and building a solution both sides own, can commit to, and will be accountable for. (2 micro-video topics—strategy & application)

Building Trust: Trust is defined through experiences, behaviors and actions leaders can model every day to their store teams and customers. This strategy teaches leaders how to create a culture of trust to increase engagement and collaboration with their direct report teams. The strategy encourages transparency and open communication and strengthens a culture of trust. (2 micro-video topics—strategy & application)
